**TreePeople Offers Tree ID Walk in Griffith Park
Chance to enjoy trees and meet other tree lovers
Thursday, August 16 – 6:15 to 8:15 PM**

Join TreePeople, an organization that brings people together to plant and care for trees in our city and local mountains, on a free and casual evening tree identification walk. This walk takes place in Griffith Park, LA County's largest municipal park, with over 4,107 acres -- plenty of trees to investigate! The walk will start and end at Park Center, and TreePeople staff will be on hand to guide the walk and talk about the native and introduced trees along the path, with ample opportunity to enjoy the beauty of the park on a summer evening.

Part of TreePeople's "Third Thursdays" monthly events for volunteers and the community, this event is free and open to anyone interested in trees. It will run from 6:15 to 8:15 PM on Thursday, August 16th. RSVP for the event here: <http://www.treepeople.org/calendar/2012-08-16>. Other questions? Email volunteer@treepeople.org or call (818) 623-4879.
