Earth Day Fair: celebrate with educational projects

- Pali Elementary sends Pali High herds of kids for a couple hours
- Pali High sets up interactive, educational booths
  - Interactive
  - Teach something they don’t know
  - Something they can learn
  - Must be empowering
    - something a 2nd grader could actually do
    - Even if their dad works for Breitbart News
Endangered Species Face painting

Recycling Basketball

Cleaning the dirty ocean activity

Making newspaper clothing

Making a “How can I help?” tree
Don’t Panic!
It’s Organic!

Resources for Students, by Students
