

An Evening Under The Harvest Moon 2022

TreePeople

Welcome back to our tree top home and gather with family & friends under the moonlit sky.

Saturday, October 8
5-9:30 PM

TreePeople's Coldwater Canyon Park
12601 Mulholland Dr, Los Angeles, CA 90210

About TreePeople

TreePeople inspires and supports the people of Southern California to come together to plant and care for trees, harvest the rain, and renew depleted landscapes.

Born from the efforts of a teenager almost 50 years ago, we have involved more than 3 million people in planting and caring for more than 3 million trees.

We unite with communities to grow a greener, shadier and more water-secure city at homes, neighborhoods, schools and in the local mountains. We work with volunteer leaders using our unique Community Forester model, and we influence government agencies for a healthy, thriving Los Angeles.

Your support grows a better world.

Your gift directly supports our highest priority projects in:

UNITING COMMUNITY

Working towards environmental and social justice in vulnerable communities.

TREE PLANTINGS AND RESTORATION

Restoring ecosystems, planting trees, and incorporating nature-based solutions from our pristine forests to our urban streets to our coastal communities.

EDUCATING OUR FUTURE

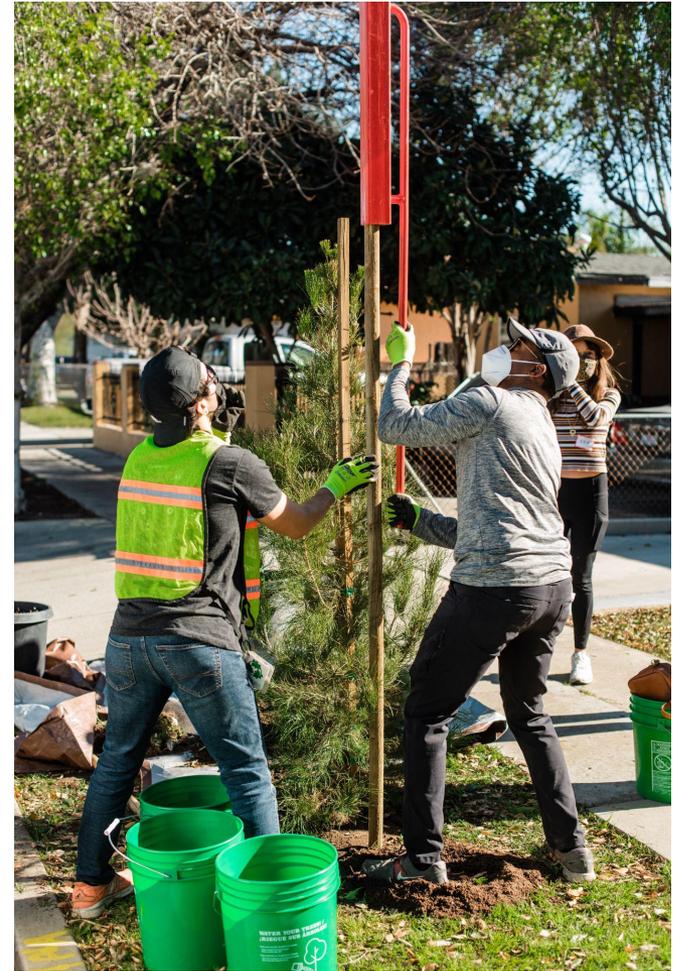

Providing students, teachers, and the school community with the knowledge, tools and support they need to create environmental change.

CONSERVING OUR PARKS & TRAILS

Protecting and stewarding natural parks and open spaces.

LEADING THROUGH SCIENCE & RESEARCH

Conducting cutting-edge research and facilitating policies that support nature-based solutions.

Event Summary

With a breathtaking view of the Los Angeles skyline, Coldwater Canyon Park, nestled at the top of Mulholland Drive, provides the perfect backdrop for a night of giving back and celebrating what's most important: our friends, family, and community.
